

bscpp\_System

```
graph TD; A[bscpp_System] -- 5 --> B[bscpp_Device];
```

A diagram showing a pointer relationship between two classes. A box labeled 'bscpp\_System' has a blue arrow pointing down to a box labeled 'bscpp\_Device'. The arrow is labeled with the number '5' in blue. The 'bscpp\_Device' box has a red border, while the 'bscpp\_System' box has a black border.

5

bscpp\_Device
